

HUMAN DEVELOPMENT AND FAMILY STUDIES, ASSOCIATE IN APPLIED SCIENCE

College(s): TR

Program Code: 0391

The AAS degree program in Human Development and Family Studies is based on the individual and family perspective, an interdisciplinary field that integrates several behavioral, social, and biological concepts to understand human interaction and development. Program graduates work in social service agencies, retirement communities, and other geriatric facilities, non-profit and education centers.

Pathway

Are you interested in learning about human development, and studying the nature of relationships and the role of families? If so, a pathway in Human Development and Family Studies might be right for you. The AAS in Human Development and Family Studies can lead to employment as a Human Services Assistant or Family Specialist in social service agencies, Head Start daycares, community-based organizations and non-profits, among others.

This is an **example course sequence** for students interested in pursuing Human Development and Family Studies. This does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn a Basic Certificate (BC), an Advanced Certificate (AC), and an Associate in Applied Science (AAS) degree in

Human Development and Family Studies. One course will satisfy the Human Diversity (HD) requirement, and is labeled with an (HD) in the sequence below.
