

ARTICLE XI. DATA GOVERNANCE

Section 11.01 Data Governance

City Colleges of Chicago Data Management Policy outlines the principles, responsibilities, and procedures for the management and protection of data at CCC. It is designed to ensure that employees have appropriate access to institutional data and information and maintain responsible and ethical use of data to support the CCC mission, enhance decision-making, and comply with relevant laws and regulations. This policy applies to all college units and to all uses of institutional data, regardless of the offices or format in which the data resides.
