College(s): DA, HW, KK\*, MX\*, OH\*, TR, WR\*

Program Code: 0210

## Sample Transfer Pathway

The Spanish Education pathway begins your preparation to teach Spanish to K-12 students. Spanish teachers are also required to earn a bachelor's degree from an accredited program and obtain a Professional Educators License with a Spanish endorsement from the Illinois State Board of Education. Get started now by earning your associate degree from City Colleges, transfer to a four-year teacher certification program as a junior, and start a career in Spanish education.

This is an **example course sequence** for students interested in pursuing Spanish Education. This does not represent a contract, nor does it guarantee course availability. If this pathway is followed as outlined, you will earn an Associate in Arts (AA) degree. One course will satisfy the Human Diversity (HD) requirement, and is labeled with an (HD) in the sequence below. Following this pathway will help you get your associate degree, which will increase your chances of transfer to Bachelor's-level programs of study. Choose Illinois Articulation Initiative (IAI) courses to fulfill general education requirements whenever possible. Visit [www.itransfer.org](http://www.itransfer.org) (<http://www.itransfer.org>) and speak with your college advisor to learn more about IAI.

*For information regarding teaching, licensure and certification requirements for the State of Illinois, please visit [www.isbe.net](http://www.isbe.net) (<http://www.isbe.net>).
